

Internet Cafe'
Open computer workshop for
for refugee women

Every Friday from 10 a.m. to 2 p.m. refugee women* can use computers, internet and printers free of charge at Formatwechsel e.V., work in peace and take a break with coffee or tea in between...

We provide the women with the technology, inform them about help and support services, assist them with technical problems and content-related questions.

Also:

Free printing of application forms, etc.

Creation of scans

Assistance with internet research on questions of residence, accommodation, medical care, work and training, school, daycare centre, language courses, etc.

Special offers:

Information and assistance on special offers for refugee women* from Ukraine (online registration / application for a residence permit).

Information on women* counselling centres

Information on support and counselling centres for women* affected by violence

Prior registration is absolutely necessary:

By phone: 030 / 26585739

E-mail: info@formatwechsel-berlin.de
